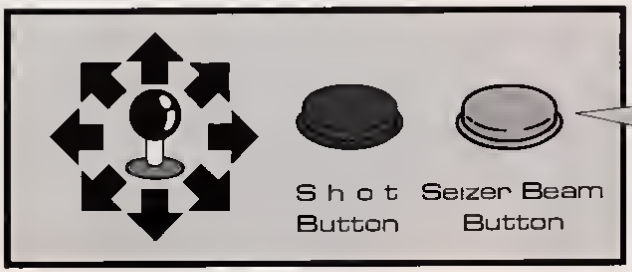
©TOAPLAN Co.,Ltd. 1989

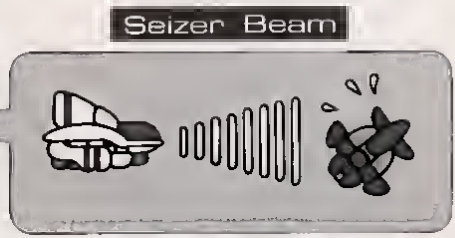
ZERO WING

TM

☆How to play

Control (your) fighter with the 8-D joy stick. Push buttons and catch power + arms. Beat out enemies from 8 bases with your fleet.





Beat your enemy or catch arms with seizer beam.

☆Description

Red : Cannon shot. Blue : Laser. Green : Homing missile. The more you get same color arms, the more you will get power. You can get bonus points 5,000, if you get more than 4.

You can catch up speed. If you catch 4, you can get max speed. You can get bonus points 5,000, if you get more than 5.

Your fighter will install bomber and be protected from enemies' attack for 2 times. (at 3rd time, bomber will be exploded.) Push button to fire.

You can add 1 fighter to your fleet.

You can add 10 fighters to your fleet.
